PROFILE

Hey I'm Niamh and I am a 28 year old presenter, content creator and model from the West Midlands.

I have worked as a freelance creative since 2016, after graduating university.

I am an expert in fashion, technology and property and I specialise in live presenting.

When I'm not working, you can find me trying my hand at a good DIY project, exploring with my 2 year old Golden Retriever and prepping for my first tough mudder next year!
